NOTICE OF PROJECT PLANNING PUBLIC MEETING

The South Haven Sewer and Water Authority will hold a public meeting on the proposed Water System Improvements projects for the purpose of receiving comments from interested persons.

The meeting will be held on April 25, 2023, at 4:00 p.m. at the Department of Public Works building.

The purpose of the proposed projects is to:

- Replace lead service lines per City Capital Improvement Plan Schedule.
- Connect water main to Covert and South Haven Townships (along 72nd Street).
- Construct a new 1.0-million-gallon (MG) elevated tank at the Department of Public Works Site.
- Construct a new booster station on the parcel southwest of the corner of East Wells Street and the Blue Star Highway and associated water main improvements.
- Demo the Blue Star Highway Standpipe and Industrial Park Booster Station.

There are no expected negative long-term impacts associated with the proposed improvements.

The estimated cost to users for the proposed project would be approximately \$195 per year.

A digital copy of the plan detailing the proposed project is available for review here: [*FY 2024 Water System Improvements State Revolving Fund Planning Document.*](#)

Written comments received before the meeting on April 25, 2023, at 4:00 p.m. will receive responses in the final Project Planning Document. Written comments should be sent to the South Haven Department of Public Works, Attn: William Hunter, 1199 8th Avenue, South Haven, MI 49090, or emailed to bhunter@southhavenmi.gov.
